

***"If you aim at nothing you  
are bound to hit it."***

No, that phrase is not in the Bible, but the Word continually speaks to doing your best, being involved in the work of the Lord, and thinking about Him and His things.

***How are you doing  
in your spiritual journey?***

The following pages are meant to be an aid to you and your spiritual mentor. It's not a game, a contest, or something you check off as quickly as you can so you can finish and move on to the next list. It is about character development, spiritual growth, and some goals and activities that will help you more fully mature in Christ.

***So, Aim at Something.  
May Christ dwell in you richly.***

# Experiences, Seminars or Skills of a Discipled Student

## I. A discipled student, even at an *introductory* level, should:

- Know the plan of salvation
