This covenant signifies that I am committing to the discipline and opportunity for spiritual growth given through the follow-up program of Operation Barnabas. I want to demonstrate consistency in my spiritual life and receive the "Barnabas Faithfulness Program" award for completing the program in December of 2018.

As outlined on the OB website and on pg. 64 of the OB syllabus, there are three options you may choose from for participation in the OB Faithfulness Program. Please indicate which option you have chosen:

- Option #1 – meeting with an adult mentor & mentoring a younger student
- Option #2 – starting a new ministry at your church, school, or community
- Option #3 – developing your own follow-up plan for staying accountable in your spiritual walk
