NAME _____

(As you fill this out, please do not feel badly if you do not have experience in any of these listed areas. God has gifted each one of us in different ways and all of us can discover ways to serve the body of Christ! OB will help you in finding where your gifts are - this survey will just help in our program planning for the summer.)

6. If you play guitar, are you confident enough to play for/lead worship with your team? Yes No

7. Do you have experience with accompanying a solo or group with piano or keyboard? Yes No

8. We often ask students, who are comfortable doing so, to provide a special "presentation".
(Ex. Sing a solo, play a trumpet solo, spoken word presentation, worship dance, etc. If you would be willing and capable of doing a special presentation during orientation or tour, would you please indicate below what you would do. If you know the title, that is helpful too.)

(If you do have a special, you will want to have it practiced and ready—there is not usually a lot of "practice time" during orientation or tour! And depending on how many students are interested and opportunities available, not everyone's special may be used so we trust you will understand if you don't get to do yours ☺)
